Instructions:

1. Using Powder Pink ink, stamp the large ribbon image randomly over the Powder Pink cardstock. Attach to card base using dimensionals.
2. Die cut Gold Foil and Watercolor Paper using Square Stitched Framelits. Die cut Fabulous Foil Designer Acetate using the scallop from the Layering Squares Framelits.
3. Using Aqua Painter, watercolor the center of the square die cut using Powder Pink ink. Stamp the greeting at the bottom right corner of the square using Basic Black ink.
4. Attach the Gold Foil square to the Powder Pink cardstock using dimensionals. Attach the Fabulous Foil Designer Acetate over the Foil at a slight angle.

5. Attach a Delicate Doily under the watercolored square die cut. Attach to the card front layer over acetate using dimensionals.
6. Stamp the ribbon image using VersaMark onto remaining Watercolor Paper. Pour Gold Embossing powder over stamped image, heat set with Heat Tool. Using Aqua Painter, color image using Powder Pink ink. Die cut using Support Ribbon Framelits. Attach to the card front using dimensionals.
7. Attach Iridescent Sequins around the greeting using Fine-Tip Glue Pen.
