Kraft Gift Box

1. Use Masking Paper to cover the Kraft Gift Box window and then stamp "Merry & Bright" with Crumb Cake ink over the entire lid. Assemble box and fill with your favorite Christmas candy.
2. Cut Sweetest Christmas DSP to measure 2-1/2" x 12". Wrap around box, using fingers to mark folds and meeting ends in the center back. Burnish folds lightly and then adhere ends with Tear & Tape.
3. Pre-watercolor a quarter sheet of Shimmery White Cardstock with Cherry Cobbler and Sweet Sorbet ink (or ink to match your candies.) See instructions on Christmas Cheer Card.
4. Use Tailor Made Tags (largest) to cut one tag from Real Red Glimmer Paper and one tag from the pre-painted Shimmery White Cardstock. Adhere tags together at an angle with SEAL.
5. Cut one tag from White Glimmer Paper.
6. Use Stylish Shapes Dies (2nd largest circle) to cut Vellum Paper, and then dry emboss with the Wintry 3D embossing folder.
7. Stamp two leaves with Versamark Ink and emboss in silver. Cut out with coordinating dies.
8. Ink up greeting first with Versamark and then with Sweet Sorbet ink (together at the same time) and stamp on a scrap of Basic White Cardstock. Quickly cover with clear embossing powder and heat set. Cut out with Stylish Shapes Dies (2nd smallest circle.)
9. Feed approximately 10" of Metallic Mesh through the top of the tags. Use Sweet Sorbet Baker's Twine to tie together just above the tags. Leave long tails measuring 3-1/2". Trim top of Mesh at an angle.
10. Use Real Red Ribbon to tie a bow with four loops on each side. Adhere over baker's twine with Mini Glue Dots.
11. Use Sweet Sorbet Baker's Twine to tie a triple bow leaving ends measuring 3-1/2". Adhere on top of Real Red bow with Mini Glue Dots.
12. Adhere Vellum to tag with SEAL.
13. Adhere White Glimmer Paper tag to Vellum with Dimensionals.
14. Adhere two leaves over tag holes with SEAL.
15. Adhere sentiment circle with Dimensionals.
