Peekaboo Treat Bag

1. Cover Peekaboo Treat Bag window with a strip of Masking Paper 1-3/8" wide.
2. Randomly stamp bag with leaf image using Crumb Cake ink. (Avoid top closure area.) Rotate stamp and stamp partially off the bag for variety. Use a Blender Pen dipped in Crumb Cake ink to make any corrections. Remove Masking Paper and insert candies.
3. Use Stylish Shapes Dies (2nd largest circle) to cut Vellum.
4. Cut Basic White Cardstock to measure 3" x 3-3/4" and use Stampin' Blends Markers to color paper in an ombre pattern. Color bottom third with Dark Real Red, Middle third with Dark Poppy Parade, and top third with Light Poppy Parade. As each color is added, go over the lower color to blend. Let ink dry and remove static with an embossing buddy or Kleenex. Stamp candy cane image with Versamark ink on the left side, (leaving room to stamp the sentiment later) and emboss in white. Cut out with coordinating Candy Canes Die. Stamp and emboss sentiment in white and cut out with Stylish Shapes Dies (2nd smallest circle.)
5. Stamp and emboss the leaf in gold two times on Garden Green Cardstock and cut out with coordinating die. Grab two watercolored leaf die-cuts from the Christmas Cheer card.
6. Tie a large bow with Garden Green 3/8" Ribbon and a triple loop bow with silver Simply Elegant Trim.
7. Adhere Vellum circle with SEAL, Garden Green Ribbon with Mini Glue Dots, and candy cane with Dimensionals.
8. Adhere Simply Elegant bow to back of sentiment circle with Mini Glue Dots. Adhere leaves with SEAL.
9. Adhere sentiment with Dimensionals.
10. Add three Seasonal Sequins.
