Scalloped Kraft Treat Box

1. Assemble box and fill with your favorite Christmas treats.
2. Cut strip of Sweetest Christmas DSP to measure 12" x 2-3/4". Cut an additional piece to measure 2" x 2-3/4". Use fingers to fold long strip around box with ends centered on the bottom (ends will not meet) and mark folds. Lightly burnish folds and then adhere belly band together with Tear & Tape using extra piece on the bottom to splice the band together.
3. Pre-watercolor Shimmery White Cardstock with Cherry Cobbler and Sweet Sorbet ink following the instructions in the Christmas Cheer Card. Use Layering Circles Dies (3rd largest circle) to cut the paper.
4. Use Layering Circles Dies (3rd largest scallop circle) to cut Sweet Sorbet Cardstock. Adhere to watercolored circle with SEAL.
5. Stamp greeting with Versamark Ink on Basic White Cardstock and emboss in gold. Cut out sentiment with tag die.
6. Use leftover strips of white glimmer paper from Wonderful Time Card (from cutting out the diagonal background die) to embellish tag with three strips, as shown. Adhere strips with liquid glue and trim ends flush with tag.
7. Use Garden Green Ribbon to form five loops, accordion style loops. Secure in the center with a stapler. Feed ends through tag holes and secure on the back of the tag with Mini Glue Dots. If needed, use Mini Glue Dots to position loops on front of the tag.
8. Tie a double loop bow with Sweet Sorbet Baker's Twine and adhere with a Mini Glue Dot.
9. Add Seasonal Sequine.
